## Miss Oklahoma's **TEEN**

**2025**  
**Official Guide to Preparing  
Your Salute Pages**

## If You Are Submitting Your Own Ads

**The Salute Page** reflects the support of the community for the young lady representing them in the most prestigious state and national competitions. These sponsors give their money, time, and talents to help their “hometown girl” in her quest to attain the Miss Oklahoma crown. The Salute Page is also a way of presenting their contestant to the rest of the state and the judges. This guide serves to provide the necessary information needed to prepare and submit Salute Page ads.

Salute Pages are available in Color or Black and White. Please plan to provide Salute Page ads ready to print that meet the technical requirements listed in this brochure.

### **The following options are suggestions for creating Salute Page ads:**

**1** – The advertiser/sponsor may have a marketing or public relations department that regularly produces advertising pages for publications. This is an easy first choice that adds no additional expense to the cost for the contestant and ensures that the advertisers’ approval is received prior to ad submission.

**2** – The Local Organization, Director, or Sponsoring Organization may have resources to assist in creating Color Salute Pages. This support group is already in place and an integral part of each contestant’s success.

**3** – A local graphic designer with first hand knowledge and experience with sponsors would be accessible to the contestant and their local organization. Again, this will help ensure the sponsor’s approval in advance of ad submission.

**4** – Transcript Press is able to design your salute pages. Please select one of the templates available in this booklet. If needed, please (lower case please) contact [gwengough@transcriptpress.com](mailto:gwengough@transcriptpress.com).

Please consider each of these options and choose the one that works best for you. The goal is to have a beautiful program that generates money and represents our great state pageant and the people involved. The Miss Oklahoma Program has been the benchmark for many other state competitions in the past. This is an opportunity to raise the bar to a new level!

As you prepare your ad pages, we ask that you upload all your ads to a Dropbox folder and send the link to that folder to [transcriptpress@transcriptpress.com](mailto:transcriptpress@transcriptpress.com). We prefer the Dropbox submission as this allows each contestant to share large file sizes, keep all their ads in one place and send one email with all their ads. You may create a free Dropbox account by going to [www.dropbox.com](http://www.dropbox.com) and click sign up for free. If Dropbox is not an option for you, files may be submitted on CD, DVD, or flash drive. Because of file size, emailing is not an option.

### **All submitted electronic files need to meet the following technical requirements:**

- Final page size: 8 1/2” X 11”.
- 1/8” bleed (meaning any background artwork that goes to the edge of the page must continue at least 1/8” past the edge of the page). Type needs to stop 1/4” before the edge so it is not cut off.
- B/W ads should be in grayscale, 300 dpi.
- Color ads should be in CMYK, 300 dpi.
- Please provide a printout of the ad to ensure proper output.

### **Acceptable file formats:**

- PDF or EPS – Please save as high resolution and press-ready. Photos and graphics must be at least 300 dpi and all fonts must be embedded.
- JPEG or TIFF – Must be actual size and at least 300 dpi in grayscale or CMYK mode. We recommend saving JPEGs as high quality.

# SALUTE PAGE AD SAMPLES

The following examples are shown to give ideas for effective, professional looking ads.

**MISS  
OKLAHOMA**  
Lauren Frost

Full portrait ads lend themselves well when you have a simple salutation or small logos only.

Of course, color stands out more, but black and white is also effective.

A ghosted portrait can be used as background with a small portrait in front.

You can add your College/University/Trade School showing your educational journey, include Field of Study or your experience.

Full body portrait  
with accent bar  
is very elegant.  
Can use horizontal  
or vertical  
accent bar, depending  
on photo.
